Internship Report

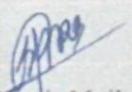

2020-2021

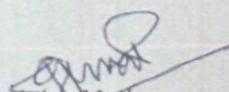

The internship programme for the First Year B.Ed. started from 5th January to 6th February 2021 and Second year Internship from 28th September 2020 to 15th January 2021.

An Orientation programme for Internship was conducted by our college wherein students were explained about various tasks to be completed during the period of Internship besides the regular class teaching. Due to Covid19, students were given freedom to choose the schools in their vicinity, ensuring that there are three to four students with varied methods in each group. After the students obtained due permission from the Head of the School, the In-charge of Internship finalised the list in consultation with the Principal and allotted supervisors to the schools.

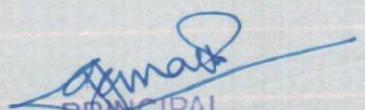

Once the students formally handed over the covering letter containing the names of the trainees to the Head of the School, they began their internship.

Students are given a handbook on internship which has all the process, activities and features of internship program which helps students to have clear idea about practice teaching and internship.

Merit List for SBSI 2019 Interns from Goa University Affiliated Colleges

6th October 2020.

The SBSI 2019 Presentations for the selection of the top three interns from the eight institutions were scheduled on 25th, 26th and 28th of September 2020 from 2.00 pm to 5.00 pm over Google meet. Out of the eight institutions, 2 institutions had sent only top 2 team details. Hence, total 22 teams were invited to make the presentations. Out of these 22, 1 team from St. Xavier's College did not present and on the day of presentation, it was learnt that Team 2 and Team 3 from MES College had actually worked as one Team. As a result, in all there were 20 Team presentations which were assessed by 4 experts out of the 7 member SBSI 2019 Committee appointed by the Vice-Chancellor for GU College level assessment. The details of the merit list are given below –

FIRST PLACE

263	Nandan Toraskar (L)	Team 2	St Xaviers College Of Arts, Science & Commerce, Mapusa
254	Samruddhi Vaingankar		
584	Aakansha Naik		
233	Kanti Sawant		
253	Vaishnavi Joshi		
169	Disksha Kambli		
255	Rasika Chavhan		
243	Saily Shirvankar		
898	Swamini Lotlikar		
247	Shruti Thali		

SECOND PLACE

388	Santosh Ramjit Yadav (L)	Team 1	Govt. College Of Arts Science & Commerce, Khandola
395	Shreyali Shailesh Baadkar		
403	Rhizlane Maria Silveira		
400	Anisha Govind Mayekar		
401	Vaishnavi Janu Naik		
399	Rohitkumar Ramesh Singh		
445	Pinkikumari Sudama Paswan

Rally and Awareness to the students.....	11

Discussion

On 28th August 2019 we were informed about the Swachh Bharat Summer Internship by our sir. Same day we started planning how to go about the Internship. So we divided our group into 2 sub-groups and discussed which village panchayat to take for our internship. On 10th September 2019 after Ganesh Chaturthi Vacation we started with our planning on different modules to be completed during the internship.

So there were 4 modules to be completed. Accordingly we decided to divide the days to complete these modules and also planned about the timings. Each one took the responsibilities of framing the questions for the survey and also how we are going to spread awareness amongst people about waste management and sanitation.

Cleaning Mardol Village Area

On 21st September 2019, we conducted cleaning programme in Mardol market place, near Mahalsa Temple. Under Swachh Bharat Summer Internship.

First of all we got permission from the Mardol Panchayat. . Later they gave us a Market place, near Mahalsa temple for cleaning. They gave us plastic bags and hand gloves for this. The place provided was a short distance from the Panchayat.

We started cleaning from near temple. There, we found large quantities of waste such as incense stick rapper, plastic bottles and plastic bags. While we were collecting garbage, the people there also contributed to this SBSI, they brought their trash to us without throwing it out. And they appreciate our work. Since there is a temple, there are many food shops, flowers shops. So, we found large quantities of plastic in this area.

On 28th September we had gone for cleanliness drive. Our group was of 9 members/ student's .We had clean front and back side of Gram Panchayat Hall Mardol, hand gloves and other required materials were provided to us by Panchayat.

On 28th we reached Mardol at 1:00 pm and started cleaning front and back side of gram panchayat hall till around 2:00 pm. Our main aim behind this was to make people aware of the increasing garbage problems and to make Goa garbage Free State. Goa being one of the beautiful states in India garbage spoils its beauty and it is our responsibility to maintain the beauty of the state.

Even though the use of plastic is banned we found plastic laying in and around the area, the garbage that we had collected contained huge amount of plastic. We even found cows eating plastic which is dangerous to their health so in order to make our state beautiful and keep animals safe in the state it is very much important to reduce the use of plastic and keep our surrounding neat clean and beautiful.

After cleaning we all were satisfied with the work that we had done and the happiness or the satisfaction that we had got after cleaning was out of the box which we can't express in words.

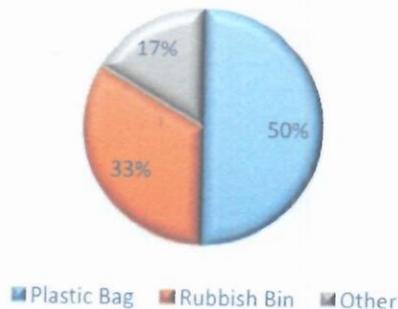

We also clicked picture with all the panchayat members. They appreciated our work and also gave us refreshments without their permission and help it was not possible to complete this SBSI.

Door to Door survey and awareness to the Household

G.V.M.s Dr. Dada Vaidya College of education organized two credit that is “Swachh Bharat Summer Internship”. Under this internship we conducted Door to Door survey and awareness to the household of Mardol Goa. The survey was conducted on the garbage disposal and how was Village Panchayat helped in Garbage management. Door to Door survey and awareness to the household was conducted on 21 and 28 September 2019.

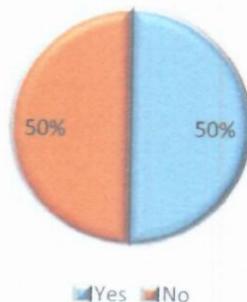

Household Garbage Store In

50% of the people store their garbage in plastic bags and 33% of people store garbage in the Rubbish Bin and followed remaining 17% store garbage in the other.

Most of the people said that they dispose their generated waste into dustbins. Few people said that they dispose their generated waste behind their house in an open place. And the very few people said that they burn their generated waste.

Awareness By Panchayat

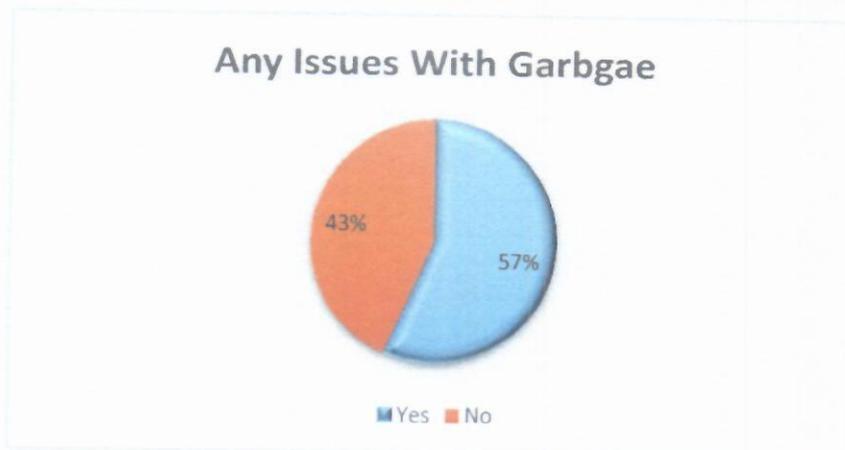

50% of the people said that there was proper awareness given by the Village Panchayat and remaining 50% of people said that no proper awareness was given to the people.

Most people said that there were no vehicle come to door to door garbage collection and remaining said that there vehicle come to collect garbage in a week.

Almost 83% of people said that they are separating the dry and wet waste and 17% people are not. Almost all people responded that the Village Panchayat have not yet provided them any dustbin. After interacting with people we got to know that the Panchayat have distributed plastic bags to every house to collect dry waste. Some people also replied that they use their own dustbins.

57% of people said there were issues related to the garbage and remaining 43% said that there were no issued related to garbage. Some issues are related to garbage i.e No proper collection of garbage by Village Panchayat and other issue are when people throw garbage openly it create dirty smell.
